

THE HAMPTON

The Hampton offers 1,825 square feet of thoughtfully designed living space, blending style, flexibility, and function. With 3 bedrooms and a versatile loft—easily converted into a fourth bedroom—this home adapts to your lifestyle. The first-floor master suite provides comfort and convenience, while the open-concept layout seamlessly connects the living room, dining area, and spacious kitchen, making it ideal for entertaining. Two full baths, a powder room, and a main floor laundry room add everyday practicality.
